Summary

Computer Science undergraduate skilled in JavaScript, React.js, Next.js, HTML, CSS, and TypeScript, with hands-on experience building responsive web applications. Fast learner and adaptable problem-solver focused on building practical solutions, automating repetitive tasks, and continuously learning new technologies.

Technical Skills

Languages: Java, Python

Frontend: React.js, Next.js, HTML5, CSS3, Tailwind CSS, Responsive Design, UI/UX, Reusable Components

Backend & APIs: Node.js, REST APIs, API Integration

Databases: MySQL, Supabase, PostgreSQL

Tools: Git, GitHub, VS Code, Vercel, Netlify

Core CS: Data Structures & Algorithms, OOP, Software Engineering, Problem Solving

Projects

Sreenidhians Hub – Campus Innovation & Collaboration Platform

Live Demo

Next.js, TypeScript, Tailwind CSS, Supabase, PostgreSQL, Vercel

- Built and deployed a campus collaboration platform that helps students and faculty turn ideas into project squads by discovering skills and finding collaborators.
- Designed role-based workflows, authentication, secure database access, notifications, search, and responsive UI, providing a foundation for future campus-wide collaboration and mentorship.

My Project Hub – Personal Project Showcase

Live Demo GitHub

Next.js, TypeScript, Tailwind CSS, Supabase, Vercel

- Built and deployed a centralized platform to showcase live projects and GitHub repositories, making project discovery and portfolio management easier.
- Developed an authenticated admin dashboard with CRUD operations, drag-and-drop ordering, persistent storage, and feedback, enabling the platform to scale as projects grow.

SUH Esports Recruitment Dashboard

Live Demo

Next.js, TypeScript, Tailwind CSS, Google Apps Script, Google Sheets, Recharts

- Built and deployed a recruitment management platform to centralize applicant data, interviews, department allocation, and recruitment progress for real-world club operations.
- Automated data workflows using Google Forms, Sheets, Apps Script, and a Next.js API layer, reducing manual coordination and providing analytics for recruitment decisions.

Education

Sreenidhi University, Hyderabad

2025 – Present

B.Tech – Computer Science & Engineering

CGPA: 7.09 / 10

Mother Theresa College of Engineering, Peddapalli

2022 – 2025

Diploma – Computer Science & Engineering

CGPA: 7.28 / 10

Tetrahedron Model School, Huzurabad

2022

Class X

CGPA: 8.80 / 10

Positions of Responsibility

Founder / Technology & Strategy Lead – KAGE ORIGIN: Led product ideas, technology planning, and project execution.

General Secretary – SUH Esports Club: Coordinated club operations, recruitment, events, and team communication.

Soft Skills

Problem Solving & Analytical Thinking — Fast Learning & Adaptability — Ownership & Accountability

Team Collaboration — Effective Communication — Creativity & Innovation
